

Wheaton College (IL)

Visiting Assistant Professor in Biochemistry

The Chemistry Department at Wheaton College (IL) invites applications for a 1-year full-time Visiting Assistant Professor position in biochemistry to begin August 2019. A Ph.D. (or nearly completed one) in biochemistry is required. Responsibilities include teaching biochemistry, general chemistry and associated labs.

Interested candidates should send current curriculum vitae and a cover letter describing teaching experience and personal commitment to Christian faith to: **Ms. Karen Riley, Office Coordinator, Chemistry Department; Wheaton College; 501 College Avenue; Wheaton, Illinois, 60187; Email: karen.riley@wheaton.edu**. Application forms will be sent to promising candidates. Review of full applications will begin immediately and continue until the position is filled.

Wheaton College is an evangelical Protestant Christian liberal arts college whose faculty and staff affirm a Statement of Faith and adhere to lifestyle expectations of the Wheaton College Community Covenant. Wheaton is an equal opportunity employer committed to recruiting and retaining a diverse and talented workforce and student body. We encourage the expression of multiple perspectives within a Christian worldview, inside and outside the classroom. For more information about Wheaton College visit www.wheaton.edu.

Additionally, Wheaton College aspires to provide a physically safe environment for students, staff, and faculty to learn and work. In support of this objective, the College requires background checks for final candidates, after an employment offer is extended. Employment is contingent upon successful completion of a background check.
