Meeting registration: Meeting registration details can be found on the society web page: www.pavlovian.org (or <http://campus.albion.edu/pavlovian/>). You will be directed there upon completion of the abstract submission page. Early registration fees are \$180 (full), \$100 (post-doc), and \$75 (student). These fees will go up by \$30 each starting August 16, then after September 18 the on-site fees go into effect (Full - \$270; Post-doc - \$190; Student - \$165). Please note the late registration fee is large and we encourage everyone to pre-register early for the meeting.

Student poster award: The society sponsors an award, which includes financial support for travel to the next meeting, for the best student poster presented. If you are presenting a poster and would like to be considered for the award, please check the appropriate box on the abstract submission form.

On Sunday morning the Society for Computational Modeling of Associative Learning will host a meeting in the hotel. For details contact Nestor Schmajuk <nestor@duke.edu>

[New York City](#) and all of its attractions is a 5 minute ride on the [PATH](#) train. The Exchange Place station is right outside the hotel and the nearest stop in Manhattan is at the World Trade Center station. If you come a few days early or stay a few days after the meeting there is plenty of theater, music, food and sporting events to enjoy.
